

SHAMS ROTANA HOTEL

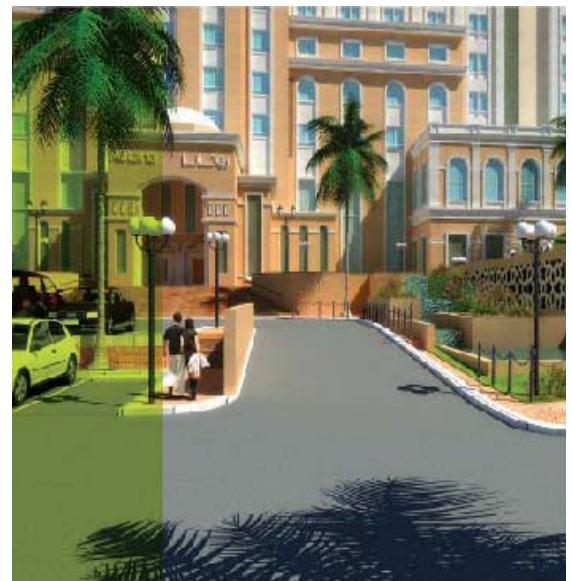

VN International®

VN International is providing Owner's Representative services for the \$100 million 5 star luxury hotel located inside the Baghdad International Zone. The hotel will feature 11 floors, 237 guest rooms, 51 executive rooms, 10 executive suites, 2 royal suites, restaurants, meetings rooms, a spa and health club, retail shops and ballrooms.

Project is considered one of the cornerstones in Baghdad's business development plan and is a multi-national investment project creating hundreds of local jobs since it will be built, managed and staffed by Iraqi nationals.
